

Input from Current Student Members

What is your favorite thing about being a member of the Academy?

"I like getting daily emails of all the latest nutrition information. I read them and then see the same info on the news, and I already know about it" -Abby P.

"I use resources from the Academy all of the time in my classes. The monthly journals and easy-to-use online database make doing research and writing papers a breeze! And you can always trust the information is accurate." -Alyssa W.

"I enjoy getting emails showing RDs quoted in the news and hearing about the latest nutrition research." -Jenny R.

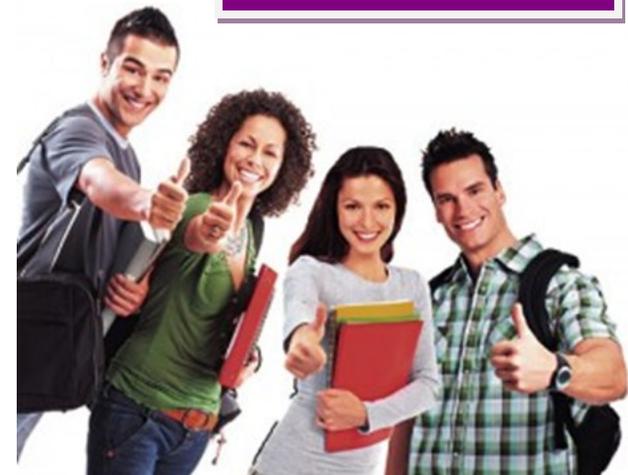

"The latest studies are always interesting. I get to see what's going on in the food world from trends to recalls and so much more. Plus members get a discount when going to FNCE. Got to love savings!" -Abby F.
